

SVPS Phillips Cross Recessed Pan Head Machine Screw (with Ventilation Hole)

Vacuum Cleanroom wash & packaging SUS Stainless steel

- The ventilation hole easily releases gas trapped in the screw holes of equipment and machines, and supports vacuum drawing of vacuum devices.
- Cleanroom wash and cleanroom packing are completed.

• Application

Vacuum device / Vacuum container / FPD production device / Semiconductor manufacturing device / Electron microscope

• Material/Finish

	SVPS
Main body	SUSXM7 (Equivalent to SUS304)

Unit : mm
